To Out-of-Town Hesch Institute Patients:

Thank you for choosing the Hesch Institute to help improve your physical health and well-being. When visiting the Hesch Institute you will receive one-on-one care with Jerry Hesch, DPT, MHS, PT as Dr. Hesch does not utilize therapy assistants or technicians.

Dr. Hesch and his wife Karin have a home office in Aurora, Colorado. In addition to providing patient care, Jerry and Karin present continuing education seminars to hands-on clinicians, and are active in conference presentation, research and publication.

Out of town clients are scheduled for three daily visits. You will be seen up to 2 hours, in each appointment. Your first visit fee will be $350, which includes reviewing your complete medical history and a comprehensive full body evaluation, plus treatment. Each addition days' visit will be $300. Estimated total for the 3 days will be $950.

If additional time above 2 hours daily is needed additional time will be billed in 15 minute increments of $37.50.

Please bring comfortable clothing such as athletic wear. Please bring any devices you use for self-care to include foot orthotics, supports or braces, etc.

Once again, thank you for choosing the Hesch Institute. We look forward to participating in your health care.

Sincerely Yours,

Dr. Jerry Hesch, MHS, DPT, PT

INSTRUCTIONS FOR PATIENT NARRATIVE

Please complete and attach a brief narrative about your condition. You do not have to repeat information already mentioned on the Health History. You can be brief, however, please go into detail wherever you feel it is helpful.

The New Patient Packet and medical records may be mailed to the Home Office address (see above), or attached as a *single* PDF or WORD file to an email and sent to info@heschinstitute.com.

Please include any and all pertinent information, such as:

- Brief Overview of Medical History (please include all, even if seems to be unrelated)
- Description of onset
- Description of your symptoms, past and current.
- What makes your symptoms worse, what helps.
- Treatments you have tried (including medications), and the outcome (from traditional AND non-traditional practitioners).
- Tests you have undergone, including x-ray, MRI, CT, etc. Please attach test reports and bring original films or films on CD if available.
- Please briefly list all health care practitioners you have seen for consultation and treatment.
- Please explain what you hope to accomplish.
- Any other information you believe might be significant

Hesch Institute
INFORMED CONSENT AND PERMISSION TO TREAT

I authorize permission to be treated by Dr. Jerry Hesch, DPT, MHS, PT, of the Hesch Institute, of Aurora and Denver, Colorado. All treatments, including manual therapy techniques, will comply with state and federal guidelines. Jerry Hesch, DPT, MHS, PT, is licensed in the state of Colorado to practice Physical Therapy, Colorado License # 00012320.

We comply with the APTA (American Physical Therapy Association), the Colorado State Physical Therapy Association, the American Academy of Orthopedic Manual Physical Therapy and the International Federation of Manual Physical Therapists, Code of Ethics, and the Physical Therapy Practice Act. The State of Colorado entitles a Physical Therapist Direct Access within specific guidelines. Direct Access allows a licensed Physical Therapist to evaluate and treat a patient without the need for a Physician's referral or script. However, in the course of the evaluation, should the Therapist discern that the patient requires medical referral or additional diagnostic tests, Dr. Hesch will recommend medical follow up.

I understand that I am an active participant in my therapy, and it is my responsibility to provide accurate and timely feedback to the Therapist regarding my response to any technique or exercise. It is my responsibility to keep my Therapist updated on any change(s) in my healthcare status I also agree to immediately inform my Therapist if I am experiencing during the course of treatment any new sensation, any enhancement of existing abnormal sensation, any new symptoms, or any increase in existing symptoms. For example, I shall immediately inform the Therapist if I am experiencing increased pain, burning, tingling, numbness, dizziness, nausea, etc.

As a Patient, I understand that I am in full control of my treatment and I have the right to halt any technique or exercise at any time by telling my Therapist to stop. The Therapist will comply with this request immediately.

As a patient I have the right to receive information regarding my care and can ask questions anytime. Information can include but is not limited to:

- the planned examination/assessment
- the evaluation, diagnosis, and prognosis/plan
- the intervention/treatment to be provided
- the risks which may be associated with the intervention
- the expected benefits of the intervention
- the anticipated time frames
- the anticipated costs
- any reasonable alternatives to the recommended intervention

I understand that very small gentle measured forces which are named spring tests/force-transmission tests will be applied to joints throughout my body. Treatment is similar, using gentle forces applied for a few minutes to coax the body's cooperation, rather than impart abrupt forces as is common practice with joint-focused therapies. However, if any portion of the evaluation and treatment should be uncomfortable, or cause new symptoms or increase in existing symptoms such as soreness, pain, numbness, tingling, temperature changes, etc., I am to report them immediately and the procedure will be stopped and interpreted and modified appropriately. Again, this is a very gentle method, and it should not provoke symptoms. Some injuries are highly sensitized and there is less than a 5% chance of symptoms being worse in response to treatment. You are in control of your care, and this applies to any exercise or self-treatment in the clinic or at home. You can always decline treatment if you are uncomfortable with it or have concerns. I understand that on rare occasions soreness can result from hands-on treatment and from exercise, and it is extremely rare for patients to experience an increase in pain in response to the gentle treatment provided by Hesch Institute. I understand that Dr. Hesch and/or any other clinician is constantly vigilant in reading the response of my body to intervention, in an effort to provide safe and effective care.

By signing below, I acknowledge that I have read, understood, and will comply with the above; and I authorize permission to treat.

PATIENT PRIVACY (HIPAA) POLICY

I understand there is a copy of the federally mandated Notice of Privacy Practices, is available for me to read. This HIPAA Privacy Notice describes the Practice's obligation to ensure the privacy of my health information. The HIPAA Privacy Notice also describes how the Practice may use my health information for treatment, payment, and health care operations. I know that I have a right to review the Practice's HIPAA Privacy Notice and ask for clarification of the document. I understand the Practice is required to maintain the privacy of my health information in accordance with the terms of the federally mandated HIPAA Privacy Notice.

I understand that I may, upon request, obtain a printed copy of the Practice's HIPAA Privacy Notice.

I understand that my health care records will not be shared or discussed except as I specifically designate on the separate form entitled "Authorization to Disclose Health Information". If I want my health information to be communicated to other Practitioners, or to any other party such as a relative, I shall designate any such Practice or individual on the Authorization form.

I understand that if I provide insurance billing information to the Practice, and sign to request that my insurance be billed for any care I receive, information from my health care records may be disclosed to my insurance company if my insurance company requires this to process reimbursement.

Hesch Institute
FINANCIAL POLICY

For out of town clients: Hesch Method is brief treatment. In-town clients are booked for an initial office visit and then follow-up care as needed, which typically take at least three visits of one-hour each. Out of town clients are typically seen for three days with visit time of 1.5-hour up to 2-hours. For complex presentations additional time or additional number of visits are available.

- Although this is specialty care, our fees for services are significantly lower than traditional physical therapy clinics and specialty PT services. Due to our small size, our commitment to one-on-one care without the use of allied care providers (assistants, technicians, etc.) our time investment in your care is much greater. Dr. Hesch's education can be reviewed online under Jerry's Curriculum Vitae.
- The hourly rate applies to in-person evaluation, treatment, review of records. Letters to providers, and telephone and email consultations.
- Payment for all services is due at time of service. We accept cash, US checks*, and credit cards. We can take credit card information by telephone M-F, 8am-5pm PST, at (303) 366-9445 (*if paying by check please make checks out to Hesch Institute).
- At the conclusion of care, we will provide an invoice with insurance billing codes and amount paid. You may submit this to your insurance for reimbursement of your expenses under the terms of your insurance policy.
- For MVA's and occasional insurance assignment, billing is based on appropriate CPT codes which typically covers one 15-minute unit of time. We reserve the right to not use insurance or MVA liens.
- Hesch Institute reserves the right to refuse service to anyone if the clinician determines that care is not appropriate, or that a therapeutic relationship is not present.

CANCELLATION AND NO SHOW POLICY

The foundation of the Hesch Institute practice is individual, hands-on treatment by Jerry Hesch, DPT, MHS, PT. Dr. Hesch sees one patient at a time. There will be no Physical Therapy Assistants or other ancillary staff participating in your care. You will receive one-on- one care for the duration of your visit.

Patients who no-show, or cancel with less than 24 hours' notice, will be asked to pay a cancellation fee prior to their next appointment. The fee is $50.00.

By signing below, I agree to compensate Hesch Institute, for any appointment to which I do not show, or cancel with less than 24 hours' notice.
